

Graduation 2007

The East Greenwich High School Class of 2007 wishes to extend a sincere thank you to all of those individuals who have made these past four years so remarkable for us. We would like to thank the administration, the tireless office and guidance secretaries, our guidance counselors, our teachers, the custodians and all those whose efforts have created an environment conducive to learning in which we have been able to excel. These people make East Greenwich High School what it is today.

We also wish to recognize our Class Advisors. For the past four years, Ms. Izzo, Mr. Brocato, Mr. Kenney, and Mr. Lynch have provided us the guidance necessary to ensure the well-being of this class, while enabling us to grow as individuals. To the advisors, a special thank you.

Lastly, we wish to thank our families. Our parents, grandparents, aunts, uncles, brothers and sisters have been the backbone of our upbringing. Without whom we would not be here today. To all, an everlasting thank you.
